Aufbau des Werkzeug / Tool assembly / Construction de l'outil

Strumenti di montaggio / Estrutura de la Herramienta

1

Stecken Sie den Schraubenschlüsselgriff in den Schraubenschlüsselkopf.
Insert wrench handle into the wrench head.
Insérer le manche de la clé dans la tête de la clé.
Inserire l'impugnatura della chiave nella testa della chiave.
Inserte el mango de la llave en el cabezal de la llave.

2

Verwenden Sie einen montierten Steckschlüssel, um die Schrauben festzuziehen/zu lösen.
Use assembled socket wrench to tighten/loosen hardware.
Utilisez une clé à douille montée pour serrer/desserler les vis.
Utilizzare la chiave a bussola per stringere e allentare i dadi.
Utilice una llave de tubo instalada para apretar / aflojar los tornillos.
