

ALMO

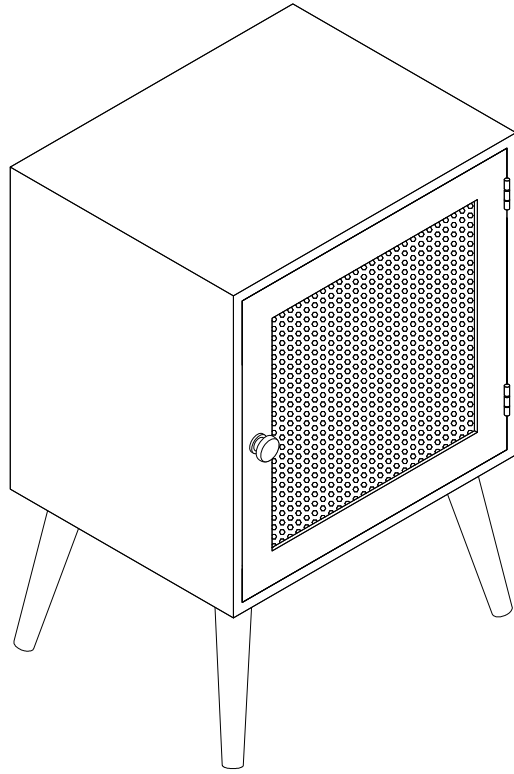

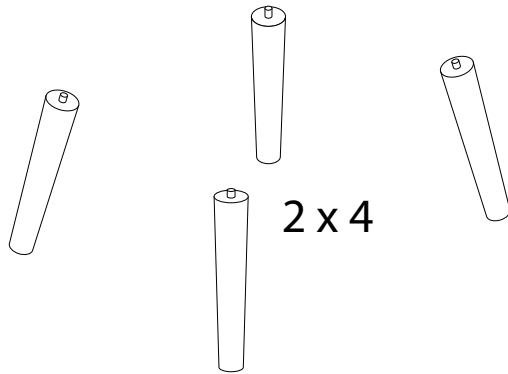

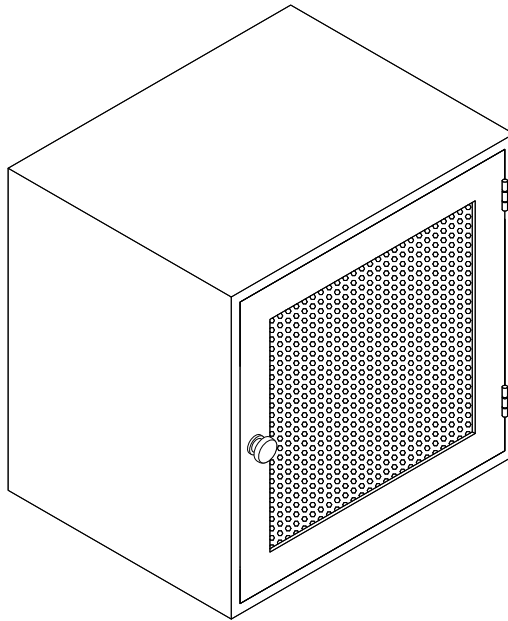

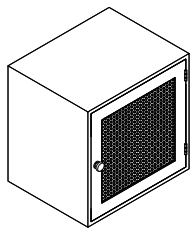

Diagram illustrating safety instructions for the safe:

- Top Section:** A crossed-out power drill icon is shown next to a warning triangle (exclamation mark). To the right is a clock icon with the number **5'** below it, indicating a 5-minute time limit.
- Bottom Section:** Two icons are shown: one of a safe on a wooden base and another of a safe on a metal base with a crossed-out arrow pointing to it, indicating that the safe should not be placed on a metal surface. To the right is a warning triangle (exclamation mark) and a person icon with the number **1** below it, indicating that one person is required for installation.
